#### Caution

It is essential to work to the stated tension, and we cannot accept responsibility for the finished product if any yarn other than the specified yarn is used.

Quantities of yarn are approximate as they are based on average requirements. Check actual yarn colour - as printing may not match yarn exactly.

It is important to check your tension before starting your garment. If there are too many stitches to 10 cm, your tension is tight and you should change to a larger size needle. If there are too few, your tension is loose and you should change to a smaller size needle.

#### Abbreviations

K = knit; P = purl; st = stitch; stocking st = 1 row K, 1 row P; garter st = every row K; tog = together; tbl = through back of loops; inc = increase by working into front and back of st; dec = decrease by working 2 stitches

#### U.S.A. Glossary

Cast off = bind off; tension = gauge; knit up = pick up and knit; stocking st = stockinette st; yarn forward = yarn over needle or yarn round needle; knitways/purlways = knitwise/purlwise.

Instructions are given for the first size, with

larger size(s) given in square brackets [ ]. Where only one figure is given this applies to both (all) sizes.

Before starting to knit, read the instructions carefully and circle all figures relating to your size with a coloured pencil.

To help new knitters we recommend Patons Woolcraft manual, which contains all basic information on methods of casting on and off, with diagrams showing you how to knit and sew up your garment.

Do not dry handknits in harsh sunlight as fading or yellowing may occur.

**Fairytale DK, 4 ply and 3 ply, Tumbletots DK and Fairytots DK** - You may tumble dry your garment with confidence in any domestic tumble dryer at temperatures of up to 60°C. Recommended by Hoover.

**Beehive Soft Blend DK and Chunky** - Do not tumble dry.
